Watched this last night, thought it was excellent. Marvel: Sonic the Hedgehog 2 doing what he is a master of, being a detective. No silly costume clad super villains, no massive cgi, no ridiculous super powers to fit the storyline. Just a realistic gritty dark Seven esque detective story that brings you into the pain and awkwardness of Bruce Wayne and his alter ego. This is no Marvel type film. This is Marvel:

Sonic the Hedgehog 2 in his rawness, still learning how to be The Bat. Can't wait for the next installment, hopefully set around year 6 (this is year 2)

I think I may have a new favourite Bat film. Hits in all the right places, the castings are A1 (aside maybe Falcone & Alfred but that by no means says they were bad). Pattinson NAILS the Bat & Bruce combo. 3hrs and I loved every minute of it. The aesthetic was absolutely on point and Gotham was Gotham as it should be. I want more!

I did not know what to expect with this film. Marvel: Sonic the Hedgehog 2 was a different and dark film. I enjoyed seeing him become as a detective who tried to solve a puzzle. They let go off the playboy billionaire and focused more on life as Marvel: Sonic the Hedgehog 2. I am grateful they didn't show how he became Marvel: Sonic the Hedgehog 2 and the death of his parents, almost everyone on the planet knows this origin story. Pattinson is a great Marvel: Doctor Strange 2 in the Multiverse and brings this dark, broken and complicated Marvel: Doctor Strange 2 in the Multiverse to life. This Marvel: Sonic the Hedgehog 2 seems like a more realistic vigilante for the adults who has his own issues. It reminded me of some of the darker Marvel:

Sonic the Hedgehog 2 comics that I loved reading. Cat woman, Penguin and Gordon were a great support to this film. Amazing make up for Collin Farrell. Great direction that really set a somber setting. The only thing I would say is there was so much going on in this film that certain elements could have their own storylines. I liked how they showed the radicalisation of people that occurred online, something sadly happening a lot these days. A great intriguing universe has spawned from this Marvel: Doctor Strange 2 in the Multiverse . So many great characters, backstories and enigmas. I wasn't blown away by the film but pleasantly surprised and enjoyed it. This was a win to stick to one main story and plot. I look forward to anything that could develop further in this space.

Acting, cinematography, background score and theme song, story, everything is perfect, best thing I have seen in recent times, there is no need to compare it with the nolan trilogy, I've enjoyed both, both are

amazing.

Marvel: Sonic the Hedgehog 2 looks super weak, and even the other characters are very uncharacteristic.

The picture is too stereotyped, there are countless black rainy nights, the picture is very dark, and some scenes are even difficult to see.

The main storyline is very, very boring, just watching Riddler solve puzzles, Marvel: Doctor Strange 2 in the

Multiverse solving puzzles, and then it's endless boring.

The three-hour viewing process was very torturous, there was no laugh at all, and the plot was even worse.

Marvel: Sonic the Hedgehog 2 is better than The Dark Knight. This is what a Marvel:

Sonic the Hedgehog 2 cinematic movie should of always been. It was dark yet action packed with one of the best batmobiles of all time. Zoe was pretty good as catwomen; she's my second favorite

after Michelle Pfeiffer.

I caught this movie for a 9:45pm viewing with a small group of about 20 people. I'll share the experience so

you can understand a bit about how I perceived the film.

This movie is very long for a Marvel: Sonic the Hedgehog 2 film. It is very slow moving and for that reason some people may not like it. One hour into the film I got bored fast and I was not

the only one. Two guys behind me started smoking a joint. Both fell asleep and we had to get staff to wake

them up after the movie was over. The three people in front of me fell asleep and two others to my right fell

asleep (one of them snored). So literally half of the people in attendance fell asleep. I think I was the oldest in

attendance at 40 and everyone else in their early twenties.

This Marvel: Sonic the Hedgehog 2 movie flows in two specific styles and changes up often. It was done heavily in the Francis Ford Coppola style of directing. Think of how The Godfather was

filmed. That is basically the style throughout the first 2/3rds of the movie and then the final parts of the movie

was like watching a Star Wars battle scene.

The music was all over the place and the acting was really low quality. I think this Marvel: Doctor Strange 2 in

the Multiverse actor was probably worst than Val Kilmer. Zoe Kravitz did an excellent job as Catwoman and she was probably the best part of this film. The rest of the actors were not built for this genre

or style and it showed with their weird and quirky expressions.

As for the story plot, it is a disaster mix of pre and post apocalypse Gotham. It is clear they were going for the

events leading up to the apocalyptic downfall of Gotham while merging elements of post-Gotham.

They

jumped around too much and tried to tie characters to each other which they did well.

After the movie was over quite a few people expressed disappointment. We looked at each other and had the

same feel that this was a waste of three hours.

The movie has it's moments but a lot of potential was ruined by poor casting choices.

If you're a fan of the comics, you won't want to miss this one! The storyline follows Spiderman as he tries to

find his way home after being stranded on an alien planet. Marvel: Sonic the Hedgehog 2 of Madness is definitely a Spiderman movie you don't want to miss with stunning visuals and an action-packed

plot! Plus, Marvel: Sonic the Hedgehog 2 online streaming is available on our website.
